

## Pattern Headings: Individual Educational Institutions H 1151

**PATTERN:** Harvard University

**TYPES OF HEADINGS COVERED BY THE PATTERN:** Headings for names of individual educational institutions at all levels and of all types, including systems, which are established as corporate bodies in the name authority file. *Examples:* **Anne Arundel Community College; Muleshoe Junior High School; Medical University of South Carolina; Union Theological Seminary (New York, N.Y.); University of California (System).** The category does not include headings for types of educational institutions, which are covered by H 1151.5.

**RELATION TO H 1105:** Subdivisions on the list of free-floating subdivisions used under names of individual corporate bodies, H 1105, are also free-floating under individual educational institutions where there is no conflict. This list contains additional subdivisions appropriate for educational institutions.

**CONFLICTS:** Any subdivision listed here can be used as a free-floating subdivision under any heading belonging to this category if it is appropriate and no conflict exists in the subject authority file. Subject authority records may exist for headings employing variant phrases or subdivisions equivalent to subdivisions on this list.

*LC practice:*

If an exceptional variant form is to be retained, make a UF reference from the equivalent free-floating subdivision form following the procedures in H 195 if the reference does not yet exist. Otherwise, submit a proposal to change the variant form along with all bibliographic records requiring correction following the procedures in H 193.

*Note: Most form subdivisions coded \$v in this list may also be used as topical subdivisions coded \$x when assigned to works **about** the form (see H 1075, sec. 1.d.).*
